Assessment Description

The process includes two surveys to gather detailed data about each participating company. BCG conducts the surveys, analyzes the data and determines the winners and rankings.

- **Part I – Employer Questionnaire (EQ):** The employer (main company contact) will complete this survey, detailing company policies, practices, benefits and demographics. The employer will be asked to complete the EQ online.
- **Part II – Employee Engagement & Satisfaction Survey (EES):** The employee survey is an in-depth set of statements (77) that employees will be asked to respond to on a 1-5 Likert scale of "Strongly Disagree" to "Strongly Agree". This section of the survey will also include two (2) open-ended questions, and seven (7) demographic questions. Email and internet technology need to be available for use by employees.

Announcing & Recognizing the Winners!

The contact at each company is notified of their status prior to the release of the winner rankings in February/March 2023. Non-winning organizations are not publicly revealed.
