What is the Best Places to Work in Rhode Island program?

Best Places to Work in Rhode Island is a research-driven program from Best Companies Group that examines your company's practices, programs and benefits and surveys your employees for their perspective. Companies meeting certain criteria are named to the "best" list.

What is Best Companies Group (BCG)?

For 17 years, Best Companies Group has specialized in identifying and recognizing great employers to work for. We are an independent research firm that ranks companies based on our established research methodology. Our surveys provide actionable, hard-to-obtain data that companies use to improve employee recruitment and retention.

Why Participate?

You can learn how to maximize employee engagement and determine whether you are one of the state's best employers! It can also result in significant organizational benefits such as:

- **Heightened Company Pride:** If your company appears on the list, it could improve employee morale and retention.
- **Public Relations and Marketing Advantage:** Organizations can use the distinction to enhance recruiting efforts, increase the value of general marketing and improve reputations.
- **The BCG Insights Report Package:** BCG shares its comprehensive assessment of your firm's performance in an efficient, results-oriented reporting platform. We identify the strengths and weaknesses of your workplace, according to what employees have to say. The report package is used to identify opportunities to improve engagement.

Who is Eligible?

- For-profit, not-for-profit, or government entities/municipalities

Assessment Description

The process includes two surveys to gather detailed data about each participating company. BCG conducts the surveys, analyzes the data and determines the winners and rankings.

- **Part I – Employer Questionnaire (EQ):** The employer (main company contact) will complete this online survey, detailing company policies, practices, benefits and demographics.
- **Part II – Employee Engagement & Satisfaction Survey (EESS):** The employee survey is an in-depth set of statements (77) that employees will be asked to respond to on a 1-5 Likert scale of "Strongly Disagree" to "Strongly Agree." This section of the survey will also include two (2) open-ended questions, and seven (7) demographic questions. All eligible employees will need email and internet technology to take the survey.

Announcing & Recognizing the Winners!

The contact at each company is notified of their status prior to the release of the winner rankings in June. Non-winning organizations are not publicly revealed.
